

TOP-OF-THE-LINE, BATTERY-POWERED, FRICTION WELD TOOL

THE B2000

You've got a job to do and you don't have time to mess around with tools that underperform. When life throws you a wide range of fast-moving securement tasks, you need the strength of the B2000. Uniquely designed to handle a wide range of applications with a minimum of effort, the B2000 pulls up to 2000 pounds of tension, securing loads with ease. Designed specifically for polyester strap, the B2000 features simple strap guide changes to ensure proper strap tracking with this higher tensioning technology.

BEST IN CLASS!
The B2000 pulls up to 2000 lbs. of tension
33% more than comparable competitors' tools

FEATURES

- 33% more tensioning strength than comparable tools
- One button operation
- Lithium ion quick-charge battery

ABOUT GREENBRIDGE

Founded in 1974 as Polychem, we rebranded in April 2021 as Greenbridge to reflect our commitment to providing proactive solutions to customers across North America seeking to achieve more sustainable, high-performing operations. Our early reputation was based on our quality polyester, polypropylene and cord strapping. Today, years of growth and strategic acquisitions have made Greenbridge a leading end-of-line packaging supplier, with integrated solutions that encompass tools, equipment, systems, and services that help tame the most challenging supply chains.

Greenbridge is committed to the safety of our team, the quality of our products and services, investing in continuous improvement, advancing the circular economy, and fostering sustainable customer success.
