

2020 SmartWay Excellence Award

Lindenmeyr Munroe is honored to be recognized as a **2020 SmartWay Excellence Award** recipient! With more than 3,700 companies partnering with SmartWay, this year's award was given to the top 75 highest-performing carriers who have demonstrated the ability to move more goods while using less fuel and having the lowest levels of CO₂, PM, and NO_x emissions.

SMARTWAY EXCELLENCE AWARD (SMALL CARRIER) CRITERIA:

- Be in good standing with SmartWay – timely and accurate submittal of required data in 2019
- Demonstrate superior performance using SmartWay's environmental assessment system for transportation supply
 - > Performance is based on equal weighting of all environmental metrics: 1/6 CO₂ g/ton-mi + 1/6 NO_x g/ton-mi + 1/6 PM g/ton-mi + 1/6 CO₂ g/mi + 1/6 NO_x g/mi + 1/6 PM g/mi
- Annual miles traveled are less than 1% of the total miles traveled in the Small Carrier category

Congrats to all the 2020 SmartWay Excellence Award recipients who continue to work towards a healthier and more sustainable future, including:
